

BMXNSW State Championships Exceptional Circumstances

Riders who have not qualified for the BMXNSW State Titles are invited to apply for an exceptional circumstances entry into the event. This is the only avenue a rider has to compete in the event if they have not previously qualified.

Note that granting of this exceptional circumstance entry may carry criteria for a rider to fulfil prior to the State Titles. BMXNSW expect that riders receiving exceptional circumstance entries will fulfil that criteria and co-operate with BMXNSW in the best interests of the sport in NSW – in a sportsmanlike and sensible manner.

If a rider knows early in the year that they can't fulfil the criteria then it is suggested that they bring this matter to the attention of the State Officiating Director as early as possible – a polite enquiry early on goes a long way to making this an easy process.

Process

1. Fill in the Exceptional Circumstance application – attach any supporting documents such as doctors certificates or travel documents, and
DELIVER TO THE STATE OFFICIATING DIRECTOR BEFORE THE CLOSE OF EXCEPTIONAL CIRCUMSTANCES AS INDICATED ON THE BMXNSW STATE RACE CALENDAR
Late applications not accepted
2. Send the form to:
BMXNSW State Officiating Director
9 Prescott Street Lyndhurst NSW 2797
or
scan and email to **bmxnswofficiating@gmail.com**
3. The State Officiating Director will communicate directly with the rider/parents for each application in a suitable manner and timeframe.
4. If the application is supported you will receive a copy back with the signature of the State Officiating Director and a document indicating any criteria that BMXNSW place on acceptance of the Exceptional Circumstance Entry.

If you receive a positive reply from the State Officiating Director – enter the event before close of entries (see state calendar for dates).

Do not enter the event until you receive confirmation of the acceptance of your exceptional circumstances application by the State Officiating Director.
5. If the application is rejected the form will be returned unsigned with documentation from the State Officiating Director indicating why the application has been rejected (either via mail or email).
6. There is no avenue for appeal to the decision of the State Officiating Director.
